CHICAGO GRAIN MARKET. Chicago, Oct. 12 .- Active buying whi

chicago, Oct. 12.—Active buying which appeared to be largely for scaboard accounts had much to do today with bringing about higher prices for wheat. The market closed firm at 1-4c to 12 act advance with December 1.09 5-8 to 1.09 3-4 and May 1.10 5-8 to 1.10 3-4. Corn gained le to 1 3-8 and oats 3-49 7-8 to 1 1-8. In provisions there was a net decline of 2 to 25c.

'Wheat trading avenued with spirited Wheat trading opened with spirited bidding and few offers, bullish sentiment

having been generated by upturns Liverpool quotations and by continu-transportation difficulties rendering transportation difficulties rendering demand urgent for grain that was likely to get through at all promptly to the seaboard, corn in particular. On the custing upturn in wheat prices, there was heavy selling to realize profits, and a reaction followed, but then an Correct mous amount of wheat was taken out of the pit, stabilizing the market during

Gossip that 1,500,000 bushels of Cana dian wheat and considerable United States wheat had been purchased for 1854. States wheat had been purchased for
Europe did a good deal to uphold values
in the later trading. Another buillsh
50% factor as to wheat was the independent
strength which the corn market showed
from the outset. Bears took the positio nithat a setback in wheat values was
becoming overdue, but this view proved
at least temporarily to be unattractive
to the majority of dealers.

Corn and outs were traded in on a broad scale, with some new high price records for the season being attained. One decided stimulus to buyers was an estimate that Argentina had only 30.-600,000 bushels of corn left for export. 13236 whereas five months must clapse before the ne worop is available.
